

sixth Assignment

Thuraya Waheeb Al-hobaishi

Supervision of Mr.Malek

2025/9/5

مقارنة بين ثيمات الادمن المستخدمة في ال admin لل Django:

الثيم	الشكل العام للواجهة	قوائم جانبية	دعم RTL	الأداء	سهولة التركيب	مميزات إضافية	أفضل استخدام
Jazzmin	حديث وأنيق، ألوان متدرجة، يشبه لوحات التحكم الاحترافية	قائمة جانبية قابلة للطي، Dashboard تفاعلي	نعم	جيد، يعتمد على CSS و JS خفيف	سهل	Dark Mode، تخصيص اللوجو والقوائم، Widgets	مشاريع كبيرة مع واجهة مستخدم عربية وعصرية

المشاريع التعليمية أو الصغيرة التي تريد واجهة واضحة وسريعة	تصميم مرن، يدعم RTL	سهل التركيب	سريع جدًا وخفيف	نعم	قائمة جانبية بسيطة، بدون Dashboard متقدم	نظيف وبسيط، تصميم Bootstrap، أيقونات واضحة	Unfold
المشاريع الصغيرة والمتوسطة التي تريد واجهة أنيقة وخفيفة	خفيف الوزن، ألوان هادئة، لا يحتاج جداول خاصة للثيم	سهل التركيب	خفيف وسريع	نعم	قائمة جانبية واضحة، بدون Dashboard متقدم	حديث وأنيق، ألوان متدرجة، يشبه لوحات التحكم الاحترافية	Semantic Admin

: Jazzmin-1

أولا تثبيت الثيم

The screenshot shows a web browser window with the URL `127.0.0.1:8000/admin/students/student/add/`. The page is titled "Django administration" and shows the user "Thuraya" is logged in. The left sidebar contains a menu with "Dashboard", "Authentication and Authorization" (Groups, Users), and "Students" (Students). The main content area is titled "Students" and shows a form to add a new student. The form fields are: "F name" (text input, value: Student), "L name" (text input, value: Student), "Age" (text input), "Level" (dropdown menu, value: -----), "Gpa" (text input), "Status" (checkbox, value: ☐), and "Report" (text area). On the right side of the form, there are three buttons: "Save" (green), "Save and add another" (blue), and "Save and continue editing" (blue). The Windows taskbar is visible at the bottom, showing the time as 9:57 PM on 9/5/2025.

The screenshot displays the Django administration interface in a web browser. The browser's address bar shows the URL `127.0.0.1:8000/admin/auth/user/`. The interface has a dark theme. On the left, a sidebar menu is visible with the following items: "Django administration" (with a gear icon), "Authentication and Authorization", "Groups", "Users" (highlighted in purple), "Students", and "Students" (repeated). The main content area is titled "Authentication and Authorization > Users". It features a search bar with the placeholder text "Type to search" and a "Filters" button. Below the search bar is a table with the following columns: "Username" (with a plus and minus icon), "Email address", "First name", "Last name", and "Staff status". The table contains one row for a user named "Thuraya" with the email address "thurayawaheeb@gmail.com", first and last names as "-", and a green checkmark in the "Staff status" column. At the bottom of the main content area, it says "1 user". The Windows taskbar is visible at the bottom of the screen, showing various application icons and the system clock indicating 10:00 PM on 9/5/2025.

رابعاً نشغل السيرفر ونفتح صفحة الادمن:

The screenshot displays the Django Admin interface for managing users. The browser address bar shows the URL `127.0.0.1:8000/admin/auth/user/`. The page title is "Select user to change". A green "Add user" button is located in the top right corner. Below the title is a search bar with a "Search" button. The "Filter" section contains three dropdown menus for "Staff status", "Superuser status", and "Active", all set to "All". At the bottom, there is an "Action" dropdown menu and a "Go" button. The table below the filters is currently empty, with columns labeled "Action", "Username", "Email address", "First name", "Last name", and "Staff status". The left sidebar shows the Django logo and navigation links for "Authentication And Authorization", "Students", and a welcome message for "Thuraya". The bottom of the screen shows a Windows taskbar with various application icons and the system clock showing 10:21 PM on 9/5/2025.
